Please be advised that the Company utilized the wrong application package in filing its application. And as you are aware, it is the Company's responsibility to produce the necessary documentation in support of this application. Please note that Staff is not processing this application and as such, the Company is deemed to be out of compliance. Also, pursuant to R14-2-103.A.q, based on the annual operating income, your Company is classified as a Class B utility.
